

KEEP INFORMED BOTH AT HOME AND ON THE GO

Your local public safety agencies rely on Swift911™ to give you reliable and fast information. These can include:

- ✓ Public Safety Alerts
- ✓ Emergency Notices and Instructions
- ✓ Important Local Notices

You can subscribe (or unsubscribe) to specific alert types.

Your information is always kept private and confidential – it's only for your municipality

HOW WILL I RECEIVE THESE ALERTS?

Alerts or notifications from your local agencies will be sent by one or more of the following:

- A voice call to your home and/or mobile numbers
- A text message to your mobile phone
- An email to one or more addresses
- Residents using the Swift911™ Public mobile app will receive push notifications.

Swift911 Public

FREE

Local Emergency Alerts for Home Telephone, Mobile Devices and the Web

SIGN UP NOW! IT'S FREE!

Signing up is easy. The system will already have your home number **if it is listed**. Include your mobile phone, office number and emails when you sign-up.

Here are some ways to sign up:

- <http://www.wcpublicsafety.com> – Look for the Swift911 register box
- **Download the Swift911 Public mobile app** – It's free and easy to use!
- **Text Swift911 to 99538** – Use your mobile phone and click on the link in the text message and follow the instructions.

WHY SIGN UP?

- You have more control of how you are alerted – you can choose which numbers are called first
- You will be able to receive text messages for urgent events from your municipality
- You will be able to receive email alerts from your municipality
- You can view / listen to past alerts
- It helps to keep you and your family safe and informed

SWIFT911™ PUBLIC SMARTPHONE APP

The **FREE** mobile app is available for Android, Apple (iOS) and Windows phones. Register through the app or login (if you have already registered).

The app uses GPS location services – if you are in an area where an emergency alert is activated you can receive the information (even if you are not subscribed to that location's list).

Receiving push notifications makes it even easier to know what you need when you need it.

Swift911 Public App Available for

GET THE MOBILE APP!

You can go to the app store on your phone or just text **Swift911 to 99538** and click on the link in your text message.

You will be able to download the mobile app.

It's free!

A blue and white graphic with the Swift911 logo at the top left. The text reads: "Swift911 Public Text to 99538 Stay Informed! During Emergency Situations, Important Events and More Ensure You KNOW Manage Your Alerts Customize Your Information". At the bottom, it says "SwiftReach www.swiftreach.com 1.800.794.3891".
